SCHOOL AGE CHILD CARE

(Ages 5-12) School Age Child Care (SACC) is offered through the Southwest Family YMCA for children ages 5 through 12. We are committed to providing a safe and nurturing experience for your child with plenty of opportunities for growth in spirit, mind and body. Contact your local branch or School District for transportation qualifications.

Our AM care runs from 6:00am until the start of the school day. Our newly designed after school program uses a play-based curriculum to engage children in various aspects of their lives. Utilizing the 40 Developmental Assets, activities focus on health & fitness, character-building, ethics, & academic achievement with weekly field-trips and daily clubs & enrichment programs.

Child Care staff meet regularly to discuss successes and opportunities to meet and surpass parents and participant's expectations. Programs maintain a 1:10 staff to child ratio, and all staff are carefully screened and trained. SACC programs are registered with the New York State Department of Social Services and are a contracted provider for DSS funding for child care. We can help you through the process!
